ESSENTIAL SERVICE: MEDICAL DEVICES & SUPPLIES

To Our Customers and Business Partners:

On March 19, 2020, California Governor Gavin Newsom issued a statewide “stay at home” order that will impact residents and businesses in the state. This order will require all non-essential businesses to temporarily close.

Thuasne USA/Townsend Designs, is an FDA Registered, authorized manufacturer and supplier of Class I medical devices based in Bakersfield, CA operating throughout the United States under the Code of Federal Regulations, Title 21, Part 820. As such, Thuasne USA is classified as an essential business and able to operate during this restriction.

We do not anticipate any disruption to our production or delivery capability. We have implemented the appropriate distancing and hygienic protocols in our facility to ensure the safety of our employees and the products they make. Our employees have been directed to follow the requirements of local, state, and national authorities. They are authorized to provide specific essential healthcare services or development of devices used by essential healthcare providers.

We are committed to supporting our customers and business partners during this difficult time. We will respect and abide by all government mandated restrictions and continue to take appropriate actions to keep our employees safe. Should you have any questions, please feel free to personally contact me at the number listed below.

Sincerely,

Thierry Arduin,
President
