PDAC Approved
L0627/L0642, L0631/L0648, L0637/L0650

With SLEEQ Air, **less is more!**
We've maintained the best features of our time-tested SLEEQ spinal braces in a thinner, lighter, more breathable design. Effective support never felt so good.

SLEEQ[®] ADAPT 627, 631, 637

Comfort and support that's truly customizable. The SLEEQ Adapt is the premier modular LSO by Thuasne USA.

SLEEQ[®] ADAPT

The SLEEQ Adapt by Thuasne USA puts power in the hands of the clinician with an LSO that's designed to provide the greatest level of customization, while giving patients the comfort and support that fits their individual needs.

Recommended for low back support, sagittal plane motion restriction (and coronal plane motion restriction on 637), increased intracavity pressure to reduce spine and disc load, acute and/or chronic low back and lower extremity pain (sciatica), and recovery from post-operative spinal procedures or injury.

Step-Down System
Modular design easily accommodates progressive patient therapies.

Customizable Wings
Access to interior components gives clinicians the ability to customize rigidity for support and individual comfort.

Modifiable Support
Interior support panels can be trimmed and/or heat modified for maximum control

FEATURES

- Reinforced, customizable felt wing insert for greater support
- Wings can be angled to optimize fit for all body types
- **Partner Program** with your logo on every brace
- **Dual Zone Technology**
 - Optimal non-elastic compression
 - Pressure relief at the ribs and hips, even while seated!

Patented **Invis-Ajust** universal sizing technology fits 26" to 65" waist circumference

Removable and customizable posterior & anterior panels

SLEEQ ADAPT 627
Low-profile lumbar orthosis

SLEEQ ADAPT 631
Lumbar-sacral orthosis

SLEEQ ADAPT 637
Lumbar-sacral orthosis with sagittal-coronal control

SLEEQ ADAPT EXT
Extension panel for waist accommodates 57" – 65" circumference
