Partner Program Agreement

I agree to order at least 100 units of product per year in return for free enrollment into the Thuasne USA Partner Program. There will be no additional fees for setup or product costs, I may end this agreement at any time.

Reminder: Logos will only be affixed to products when an order consists of five or more products (any combination of these products qualifies, as long as the total adds up to five or more). You can ask your Thuasne USA representative to send dome logos that your staff can affix to lower quantity orders.
